

You are invited to attend the next Perimeter Solutions  
**“Know Your Foam” training** session  
sponsored by Perimeter Solutions, United Fire,  
and the Hall of Flame Fire Museum!

**Learn From the Experts**  
**November 19, 2025**  
**At the Hall of Flame in Phoenix, AZ**

Attendees to this free session will receive training on Class A, Class B, and MIL-SPEC firefighting foams at the **Hall of Flame in Phoenix, AZ, on Wednesday, November 19**. The session will be held in the lower building of the Museum. It will be followed by an outside demonstration of the five techniques you need to know when using fluorine-free foam.

**What You'll learn**

- The different types of foam – Class A, A/B, New Fluorine-Free B, and Emulsifiers.
- How to cut scene time in half, cost savings, quicker improved interior conditions, and safeguarding firefighters.
- Class B Fluorine-Free Foam Application Techniques, including Roll On, Horizontal Spray, Bounce Off, Application then Reposition, Stitching and Tend the Blanket. We also cover Plunging and Seams.
- Firefighting with Foam, manipulation with Nozzles, and Foam Tubes tips and tricks.

**Space is limited** for the class, which starts at 9:00 a.m. and concludes at 3:00 p.m. Lunch will be provided by AZ BBQ.
